
Hayes Crowley – Full Stack Engineer

hayescrowley@gmail.com ❖ Atlanta, GA

<https://hayescrowley.com> | <https://github.com/Froglegg> | <https://www.linkedin.com/in/hayes-crowley/>

SUMMARY

Full stack engineer and lifelong learner with a firm grasp on the latest tools and technologies for developing and driving a successful digital product. I've developed web sites and applications for Enterprise-scale companies as well as smaller NGO's as a full-time employee and contractor.

I'm always working on something new! To see all of my projects, view my Github at <https://github.com/Froglegg> or my portfolio at <https://hayescrowley.com>

TECHNICAL SKILLS

Highly skilled in Javascript ES6, CSS / SCSS, React / Angular frontend development, RESTful API development, Node.js server development, and developing in the NPM ecosystem

Skilled in MySQL / Postgresql / NoSQL database management and AWS

Familiar with using Python for automating tasks, and the Django and ASP.net frameworks
